

LIST OF PROJECTS

- Analysis of National Forest Market
- Benchmarking de Competitividade de Custos Operacionais – Brasil, Chile, Uruguai e Argentina
- Benchmarking of Forest Management costs in all regions of Brazil
- Brazilian Forest Marekt Study
- Due Diligence of Wood Supply Plan for Thermoelectric Plant in Rio Grande do Sul
- Eucalyptus Log Price Survey – Minas Gerais and Rio Grande do Sul States
- Eucalyptus Log Price Survey in Minas Gerais
- Eucalyptus Log Price Survey in Minas Gerais and Rio Grande do Sul
- Eucalyptus Log Price Survey in Parana
- Eucalyptus Log Price Survey in São Paulo and Minas Gerais
- Eucalyptus Log Price Survey in selected forest centers
- Eucalyptus Log Price Survey in Selected Regions of Brazil
- Eucalyptus Timber Price Report in Brazil – RS, SC, PR, MS and MG States
- Eucalyptus Wood Prices Quarterly Report – Minas Gerais
- Eucalyptus Wood Prices Quarterly Report – RS, SC, PR, SP, MS e MG
- Eucalyptus Wood Pricing Survey – North Bahia
- Forecast of lease land price in Santa Catarina and Paraná States
- Forest Market Study – Central Region of Minas Gerais
- Forest Market Study – Mato Grosso and Rio Grande do Sul
- Forest Market Study – Mato Grosso do Sul
- Forest Market Study in Minas Gerais
- Forest Market Study in Minas Gerais – Current Situation and Prospects
- Forest-Based Market Study – Bahia
- Forestland Appraisal in Mato Grosso do Sul and Minas Gerais States
- Historical Pine and Eucalyptus Wood Price in Brazil (Main Forest Centers)
- Indicators of Forestry Market in Parana and Santa Catarina
- Key factors determining forest sector competitiveness for Sustainable Forest Management in Brazil
- Land and Log Price Survey in Mato Grosso
- Land and Log Price Survey in Selected Regions of Brazil
- Land Future Price Projection – Santa Catarina and Paraná
- Land Market Analysis in Sao Paulo State
- Land price analysis in Bahia
- Land Price Analysis in Mato Grosso
- Land Price Forecast – Paraná
- Land Price Forecast – Santa Catarina
- Land Price Survey in Bahia
- Land Price Survey in Minas Gerais
- Land Price Survey in Minas Gerais and Mato Grosso do Sul
- Land Price Survey in Minas Gerais State
- Land Price Survey in Santa Catarina
- Land Price Survey in Southern Brazil
- Land Prices Projection in Santa Catarina and Paraná
- Lease Cost Forecasting for Santa Catarina and Paraná States
- Log Price Survey – Brazil
- Log Price Survey in Bahia
- Log Price Survey in Minas Gerais and Rio Grande do Sul
- Main Forest Market Indicators in Santa Catarina State
- Management Cost – Benchmarking – Brazil
- Market Analyis in Tocantins State
- Market Information – Minas Gerias and Mato Grosso do Sul States
- Market Study in Northeast Region – Sawnwood
- Market Study of the Performance of Timos in Brazil

LIST OF PROJECTS

- Market Study: Argentina and Uruguai Forest Market
- Market Study: Seed and Seedlings of Pine and Eucalyptus in the South and Southeast Brazil
- Mato Grosso Risk Assessment
- Multiclient Study: Discount Rate Used in the Forestland Appraisal in Brazil
- National Forest Market Study
- National Forest-Based Market Study
- National Log Consumption
- Pine and Eucalyptus Wood Price Forecast – Paraná
- Pine and Eucalyptus Wood Price Forecast – Santa Catarina
- Pine and Eucalyptus Wood Future Price Forecast in Paraná
- Pine Wood Future Price Forecast – Paraná
- Pine Wood Future Price Forecast – Santa Catarina
- Pine Wood Prices and Costs Quarterly Report – Paraná
- Pine Wood Prices and Costs Quarterly Report – Rio Grande do Sul
- Pine Wood Prices and Costs Quarterly Report – RS, SC, PR e SP
- Pine Wood Prices and Costs Quarterly Report – Santa Catarina
- Pine Wood Prices and Costs Quarterly Report – São Paulo
- Port Identification, Fibre Resources and Market Intelligence in Brazil
- Production models and Forest Productivity Benchmarking Study – Brazil, Chile, Uruguay and Argentina
- Projections and Trends of the Forest Market in Santa Catarina and Paraná
- Projections and Trends of the Forest Market in São Paulo
- Regional Forest Market Study in Paraná (Pine and Eucalyptus) – Current Situation and Prospects
- Regional Market Study in Rio Grande do Sul State (Forest and Wood Industry)
- Regional Wood Market Study – Minas Gerais
- Study of Asset Valuation Methods Used in Brazil
- Study of Regional Forest Market Producers – South, Southeast and Northeast
- Study of the National Forest Base Market
- Study of the National Forest Market – Planted Forests
- Study of the National Forest Market Producers
- Study on Brazilian Forest Market
- Study on Brazilian Forest Market and Timber Industry
- Study on Current Situation and Prospects for the Forest Market in Brazil
- Study on Paraná and Santa Catarina Forest Market
- Study on Santa Catarina Forest Market
- Study on the Performance of TIMOs in Brazil
- Supply and Demand Projection for Pine and Eucalyptus Wood in Paraná
- Supply and Demand Projection for Pine and Eucalyptus Wood in Santa Catarina
- Supply and Demand Projection for Pine Wood in Paraná
- Supply and Demand Projection for Pine Wood in Santa Catarina
- Survey on Availability of Woodchips in the Central-South Region of Paraná
- Technical Support Conducting the Organization of an International Forest Products Conference
- Timber Export Market characterization in Uruguay
- Trends and Projections for Brazilian Forest Market
- Trends of the Forest Market in Santa Catarina
- Tropical Forest Sector Competitiveness Diagnostics In The Amazon
- Wood and Land Prices Analysis – Mato Grosso and Rio Grande do Sul
- Wood Consumer Market Study in Chile
- Wood Future Price Forecast in Santa Catarina and Paraná – Brazil
- Wood Regional Market Study – South and Southeast Region of Brazil
- Wood Supply and Demand Projection in Paraná, Santa Catarina, Mato Grosso do Sul and Minas Gerais States
- Yearbook: Hardwood Flooring Sector in Brazil
